

GAUR BRAHMAN COLLEGE OF EDUCATION, ROHTAK
INSTITUTIONAL DISTINCTIVENESS (2016-17)

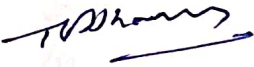

Various initiatives such as awareness programs, cultural activities, indoor and outdoor games, quiz competitions, debate competitions, and outreach programs are conducted to facilitate the holistic growth of the learners. These activities aim to develop essential skills in students, including teamwork, communication, creativity, and critical thinking.

In addition to co-curricular activities, the institution strongly emphasizes academic pursuits. Students are encouraged to engage in seminars, presentations, and quiz competitions, which not only enhance their research skills but also boost their academic confidence.

Moreover, the college provides state-of-the-art facilities to support academic endeavors. The well-equipped ICT Lab offers internet access and a wide range of educational materials, online databases, and learning tools. Additionally, the college library is stocked with a rich collection of books, journals, and magazines, providing students with ample resources for their academic needs.

In essence, the college is committed to nurturing both the academic and overall growth of its students, providing them with a conducive environment to excel in all facets of their education and personal development.
