

GAUR BRAHMAN COLLEGE OF EDUCATION, ROHTAK
PROCEDURE AND POLICIES (2016-17)

For proper functioning of the college, the college has constituted various committees to look after the different areas of the college. Each and every member of the committee looks towards each and every aspect of the college. These committees help in the smooth functioning of the college like NAAC, Sports Committee, Cultural Committee, Placement Cell, Legal Literacy Cell, Women Cell, Purchase Committee, UGC, DGHE, Admission Committee and Discipline Committee. Every committee is responsible for all the activities and action required for that particular cell. Moreover, Technical personnel are hired to maintain essential systems like fire extinguishers, bio-matrix attendance systems, and technical infrastructure. For computer maintenance and website maintenance, the college hires technical expert to look after ICT related maintenance. The college employs its own maintenance staff to address various maintenance needs across different departments and facilities. This includes tasks related to infrastructure, electric supply, plumbing, and general upkeep.
