

GAUR BRAHMAN COLLEGE OF EDUCATION, ROHTAK
Program Outcomes (2016-17)

- ✚ *Pedagogical Knowledge*: Students will demonstrate a deep understanding of educational theories, teaching methods, and curriculum development principles.
- ✚ *Subject Matter Proficiency*: Students will exhibit expertise in their chosen teaching subjects, allowing them to effectively convey complex concepts to students.
- ✚ *Instructional Design*: Students will be able to design and implement effective lesson plans, incorporating diverse teaching strategies to meet the needs of all learners.
- ✚ *Assessment and Evaluation*: Students will possess the skills to assess student learning using various assessment tools and techniques, and use assessment data to inform instructional decisions.
- ✚ *Classroom Management*: Students will demonstrate the ability to create a positive and inclusive learning environment, manage student behavior effectively, and foster a culture of respect and collaboration.
- ✚ *Technology Integration*: Students will be proficient in integrating technology into their teaching practice to enhance student engagement and learning outcomes.
- ✚ *Reflective Practice*: Students will engage in ongoing reflection and professional development to continuously improve their teaching practice and stay abreast of current educational trends and research.
- ✚ *Ethical and Professional Standards*: Students will adhere to ethical guidelines and professional standards, demonstrating professionalism, integrity, and a commitment to promoting equity and social justice in education.
- ✚ *Communication and Collaboration*: Students will possess strong communication skills, enabling them to effectively communicate with students, parents, colleagues, and other stakeholders, and collaborate with colleagues to support student learning.
- ✚ *Leadership and Advocacy*: Students will be prepared to assume leadership roles within educational settings and advocate for policies and practices that promote educational equity and excellence.
