

GAUR BRAHMAN COLLEGE OF EDUCATION, ROHTAK
Program Outcomes (2021-22)

- ✚ **Pedagogical Knowledge:** Students will have a thorough understanding of curriculum creation ideas, instructional strategies, and educational philosophies.
- ✚ **Subject Matter Expertise:** Students will demonstrate expertise in the subjects they have chosen to teach, allowing them to impart difficult ideas to their pupils with ease.
- ✚ **Instructional Design:** Students will be able to create and carry out engaging lesson plans that use a variety of teaching philosophies to meet the needs of every student.
- ✚ **Assessment and Evaluation:** Through a range of assessment techniques, students will have the ability to measure student learning and use the results to guide their teaching practices.
- ✚ **Classroom Management:** Students will demonstrate competence in creating a welcoming and inclusive learning atmosphere, appropriately disciplining students, and cultivating a climate of cooperation and respect.
- ✚ **Technology Integration:** Students will show that they are capable of using digital tools to improve learning outcomes and student engagement in the classroom.
- ✚ **Reflective Practice:** To improve their instructional strategies and stay up to date on the latest developments in education, students will partake in ongoing self-evaluation and professional development.
- ✚ **Ethical and Professional norms:** Students will adhere to professional norms and ethical precepts, demonstrating professionalism, honesty, and a dedication to advancing social justice and fairness in education.
- ✚ **Collaboration and Communication:** Students will be able to work well with others by collaborating with peers to support student learning and by communicating with parents, teachers, and other stakeholders. They will also have excellent interpersonal skills.
- ✚ **Leadership and Advocacy:** Students will be prepared to take on leadership responsibilities in educational environments and to speak out in favour of laws and procedures that promote excellence and equity in education.
