

REPORT ON OUTREACH PROGRAMMES (2021-2022)

Lecture on Health Awareness

Gaur Brahman College of Education, Rohtak organizes a Lecture on Health Awareness by Sh. Daya Singh Saini (Red Cross) under Outreach Cell of the college in adopted village of our college, Singhpura on 30.11.2021. A total of 54 students of the school as well as of the college actively participated in the lecture delivered by Dr. Daya Singh Saini. Sir focused on how to keep our body healthy and disease free. Importance of each and every part of the body was focused. All the steps related to First-Aid were shown practically. How to save and give first hand treatment to the accidental cases were practically shown. All the students were highly benefitted by this lecture. Principal and other members of the school were also present.

HIV/AIDS Awareness Programme

Students of Gaur Brahman College of Education, Rohtak participated in the HIV/AIDS Awareness Programme held at Maharshi Dayanand University on 01.12.2021. A total of 78 Students of the college along with the teachers actively participated in the programme. Students were made aware about to take care of themselves and the measures of preventing HIV /AIDS were discussed. Students interacted with other students of the University on the above said matter and shared their thoughts. It was informative programme for all.

Visit to Jan Seva Sansthan(NGO)

A total no. of 84 students, teaching staff and non-teaching staff of the college along with the head of the College visited Jan Seva Sansthan on 04.03.2022 to celebrate Women's Day. The main purpose of this visit was to serve the needy people. Along with their academic growth of the students, these activities help in the emotional development of the students. By visiting these places, moral values and service values are imbibed in the students. Students actively participated in the event. Students along with their teachers served food to all the people of the ashram. It was a memorable day for all.
